**CORRIGENDUM-1**

Request for Expression of Interest (EOI): Power Sector Resilience Study in Chile

**Date of Issue:** 26 February 2025

This corrigendum provides updates to the previously issued EOI. The following amendments should be considered part of the EOI process:

- The term "**Director**" mentioned in Section I: Information for the Consultant, Sl. No. 8 (g) should be read as "**Team Leader**".
- The expertise terminology in Table 2: List of Key Experts, Sl. No. 1 should be read as:  
*"Relevant experience in power system design, power reliability and management, regulation, and related fields. Background in disaster management/infrastructure resilience. Prior working experience in **Chile** and with ministries would be desirable."*
- The terms "**Consulting agencies**"/ "**Consultants**"/ "**Agencies**" should be read as "**Organizations**".

**Note:** Applicants are advised to review this corrigendum carefully before submitting their proposals. No claims regarding insufficient clarity or lack of information will be entertained.
